DA YA THINK I'M SEXY?

text & musik Rod Stewart, Carmine Appice & Duane Hitchings

She sits alone waiting for suggestions
He's so nervous avoiding all the questions
His lips are dry her heart is gently pounding
Don't you just know exactly what they're thinking?

If you want my body and you think I'm sexy
c'mon sugar tell me so
If you really need me just reach out and touch me
c'mon honey tell me so

He's acting shy lookin' for an answer
come on honey let's spend the night together
Now hold on a minute before we go much further
Give me a dime so I can phone my mother
They catch a cab to his high rise apartment
At last he can tell her exactly what his heart meant

If you want my body and you think I'm sexy
c'mon sugar tell me so
If you really need me just reach out and touch me
c'mon honey tell me so

His heart's beating like a drum
'cos at last he's got this girl at home
Relax baby
now we're all alone

They wake at dawn 'cos all the birds are singing
Two total strangers but that ain't what they're thinking
Outside it's cold, it's misty and raining
They got each other, neither one's complaining
He says "I'm sorry but I'm out of milk and coffee"
Never mind sugar we can watch the early movie

If you want my body and you think I'm sexy
c'mon sugar tell me so
If you really need me just reach out and touch me
c'mon honey tell me so

HEARTBREAK LOVE

text & musik Johnny Tason

Don't you know that I really meant it
That's it's true I'm so in love with you
But it's hard you got me torn apart
I wanna stay but I gotta go
I gotta go I gotta go

Love at first sight
Heartbreak love, Heartbreak love
I'm gonna break some hearts
She's the one, she's the one

I never tried to lie to you
Ev'ry word I meant it with my heart
But I don't know what I'm gonna do
Either way someone's gonna get hurt
Someone's gonna get hurt

Love at first sight
Heartbreak love, Heartbreak love
I'm gonna break some hearts
She's the one, she's the one

Sneakin' away in the middle of the night
I know I gotta make a choice
Someone's gonna get hurt anyhow
'Cos I don't wanna make a choice right now
Right now, right now baby

Love at first sight
Heartbreak love, Heartbreak love
I'm gonna break some hearts
She's the one, she's the one

I'D NEVER EVER LEAVE YOU

text & musik Johnny Tason

You look at me
Don't know I'm watching you
But I'm watching you
From across the street
At that brief moment
When I catch your eyes
It feels like
Pure dynamite

Be my girl I'd never ever leave you
Be my girl I wanna hold you tight
Tight in my arms

I can spot you
Even if you're a mile away
And when I do
It just lights up my day
'Cos you're that kind a girl
Makes people turn their heads
It's hard to explain
But I just gotta have you

Be my girl I'd never ever leave you
Be my girl I wanna hold you tight
Tight in my arms

And sometimes I wonder
What is going on
You look at me
And you smile at me
And I tell you
My secrets desires
Still you won't
Let me come near you

Be my girl I'd never ever leave you
Be my girl I wanna hold you tight
Tight in my arms

ALL NIGHT LONG

text & musik Johnny Tason

We kissed, we touched
We whispered, we laughed

You gave me all the attention I've ever wanted
Touched me like I've only dreamed about
Promised me a night without any spoiled time
You made it sound almost like a crime

You gave yourself all night long
And I had you all night long
All your secret parts wasn't wrong
I was all over you hard as a rock
All night long

You led my hand to your secret parts
You were warm and I climbed the charts
I couldn't say "no" I couldn't turn you down
Felt like forever 'till we came around

You gave yourself all night long
And I had you all night long
All your secret parts wasn't wrong
I was all over you hard as a rock
All night long

Your eyes said "take me to the sack"
And I had you down on your back
Not many words just; "take me to the top"
We needed it we just couldn't stop

You gave yourself all night long
And I had you all night long
All your secret parts wasn't wrong
I was all over you hard as a rock
All night long

We kissed, we touched
We whispered, we laughed

THE THANKS I GET

text & musik Johnny Tason

I've thought about it so many times
How do you get your thrills
You say you love more than life
Still I wonder what you do
'Cos I hear thins I don't wanna believe
Places you've been, people you've met
I had excuses, covered your back
But now I have to face it once and for all

Is that the thanks I get, is it all your givin' me
Is that the thanks I get for lovin' you
Is that the thanks I get, is it all your givin' me
Is that the thanks I for givin' you my heart

Over and I over I turned it around
Tellin' myself that I'm to blame
Something deep inside of me
Knew that it was just a game
You've been playing with my heart
Like a casual bet at the tables in Vegas
I guess I've never asked you where you were
All those nights I spent on my own

Is that the thanks I get, is it all your givin' me
Is that the thanks I get for lovin' you
Is that the thanks I get, is it all your givin' me
Is that the thanks I for givin' you my heart

Your two-timing friends knew everything, I wouldn't give them the time a day
I called you on the phone and they lied thru their teeth, to make you look good even when you're bad

Wish there was something I could do
To make it all go away
'Cos the pain deep inside of me
Keeps me awake at night
Listening to my childish pride
Nothing good can come out of that
I should forget you fast as hell
But I'd like to know how the hell you're thinkin'

Is that the thanks I get, is it all your givin' me
Is that the thanks I get for lovin' you
Is that the thanks I get, is it all your givin' me
Is that the thanks I for givin' you my heart

YOU'RE SO YOUNG

text & musik Johnny Tason

I know you're young but I don't care
People can say what ever they want
I wanna show you to the whole world
All that matters is that you say "yes"
'Cos tonite you made me change my mind
I've never believed in love at first sight
And then you came along, and to tell you the truth
I fell for you right away

You're so young but so sweet
And I'm begging you down on my knees
Stay around don't be a tease
You're so young but so sweet

You wore blue jeans and a white sweater
Long blonde hair, sweet lovely legs
I could've drowned in your blue eyes
And your smile turned on the guys
And your eyes kept coming back
I could've died right on the spot
I don't know but I think you like me
'Cos you said "good night" only to me

You're so young but so sweet
And I'm begging you down on my knees
Stay around don't be a tease
You're so young but so sweet

I want you to be my life
Please say "yes" and make an old man happy
Turn your back on ev'rybody else
Come to me, stay thru the night
I wanna see your smile when I wake up
'N' I don't care that if you're too young
If you love me just say "yes"
Or was I just something to brag about

You're so young but so sweet
And I'm begging you down on my knees
Stay around don't be a tease
You're so young but so sweet

STRONGER THAN STEEL

text & musik Johnny Tason

Don't tell me we didn't try
I guess this wasn't meant to be
I think we did it all
Even tried to say goodbye
But we came back to each other
'Cos nothing would keep us apart

Our love might be stronger than steel
It won't help us stay together for real

You said you'd come with the morning train
I stood on the station for hours on end
Watching the trains come and go
I guess you stood me up one more time
Building our love on this long distance line
Trying so hard to make it work

Our love might be stronger than steel
It won't help us stay together for real

I cry myself to sleep every night
'Cos I know that this will never last
You feel the same I know you do
'Cos you keep askin' me why I am not there?

Our love might be stronger than steel
It won't help us stay together for real

I DON'T WANNA HURT YOU

text & musik Johnny Tason

I sit here all by myself turnin' my head inside out
'Cos I love you and I don't wanna hurt you
I'm tryin' so hard to make you mine, flirtin' and smilin' ev'ry time we meet
But I remember how I used to treat you

I don't wanna hurt you I just wanna see you smile
I don't wanna hurt you I don't wanna see you cry
I don't wanna hurt you I don't wanna make you sad
I don't wanna hurt you I just wanna make you mine

I might be out of line but I ain't got no options
I'm on the edge knowin' you're slippin' away
I'm tryin' so hard to take you back, searchin' for the right words
Make you understand I have changed

I don't wanna hurt you I just wanna see you smile
I don't wanna hurt you I don't wanna see you cry
I don't wanna hurt you I don't wanna make you sad
I don't wanna hurt you I just wanna make you mine

I might be drunk on wine still I know what I'm sayin'
Don't get me wrong, you got me in a clutch
I'm tryin' in ev'ry way I can to stay serene and content
All I ask of you, give me one more chance

I don't wanna hurt you I just wanna see you smile
I don't wanna hurt you I don't wanna see you cry
I don't wanna hurt you I don't wanna make you sad
I don't wanna hurt you I just wanna make you mine

TURN ME ON

text & musik Johnny Tason

We're in your flat, sharing a bottle of wine
You look deep in my eyes and you lick my ear
You unbutton my shirt and you take it off
You tumble with my belt and down my trousers go

Turn me on you really turn me on
Turn me on you really turn me on
Turn me on you really turn me on
Turn me on you really turn me on

Get out of your jeans, keep the suspender belt on
Don't wait for me 'cos I'll be there
Don't waste my time don't talk too much
You know what I want, you want it too

Turn me on you really turn me on
Turn me on you really turn me on
Turn me on you really turn me on
Turn me on you really turn me on

If you behave I might even stay the weekend
But I can't make any promises right now
'Cos if I really like you this could lead somewhere
Let's spend a lot of time just you and me

Turn me on you really turn me on
Turn me on you really turn me on
Turn me on you really turn me on
Turn me on you really turn me on

MISSING YOU

text & musik John Waite

[missing you, missing you, missing you - missing you, missing you, missing you]

Every time I think of you, I always catch my breath
And I'm still standing here, and you're miles away
And I'm wonderin' why you left
And there's a storm that's raging through my frozen heart tonight

I hear your name in certain circles, and it always makes me smile
I spend my time thinkin' about you, and it's almost driving me wild
And there's a heart that's breaking, down this long distance line tonight

I ain't missing you at all since you've been gone away
I ain't missing you, no matter what I might say

There's a message, in the wire, and I'm sending you this signal tonight
You don't know, how desperate I've become, and it looks like I'm losing this fight
In your world, I have no meaning, though I'm trying hard to understand
And it's my heart that's breaking down this long distance line tonight

I ain't missing you at all since you've been gone away
I ain't missing you, no matter what my friends say

And there's a message that I'm sending out, like a telegraph to your soul
And if I can't bridge this distance, stop this heartbreak overload

I ain't missing you at all since you've been gone away
I ain't missing you, no matter what my friends say
I ain't missing you

And there's a storm that's raging through my frozen heart tonight

I ain't missing you at all since you've been gone away
I ain't missing you, no matter what my friends say
Ain't missing you, I ain't missing you
I can lie to myself
Ain't missing you, I ain't missing you
I ain't missing you,
I am lying to myself
I ain't missing you, I ain't missing you, ain't missing you, oh no
